MEMBERS OF OUR
COMMUNITY.**

Dear Community Members & Friends,

The 2018-2019 scholastic year started with a Fall tornado and culminated with a Spring flood. We have weathered the storms together.

As in the true spirit of the Cégep Heritage College community, alongside its pioneers and partners, our Foundation rose to meet the challenges head-on.

Our Foundation believes in equal learning opportunities. While advocating for, and financing emergency relief, it's with this same resolve that we endeavour to “bridge the gap” by supporting inclusion, personal development, advancement and mind-building opportunities.

The Heritage community collectively agrees that students living with basic needs' insecurities are at-risk of developing mental wellness issues and are equally at-risk of abandoning their studies. Moreover, such anxiety threatens one's ability to have a positive outlook, to dream and to learn.

The coming year's commitments focus on enhanced help mechanisms for financial/distance assistance, mental wellness and special needs, inclusion/self-esteem and sports.

As we aim for the successful conclusion of our inaugural campaign, I wish to personally express appreciation to our donors. I also wish to invite each member of the English-speaking community to join our efforts and pledge support to our cause.

Together, we will be at the forefront for our students.

Thank you for your solidarity in support of our Heritage College students, our future community leaders.

Chris Schaler

THE CÉGEP HERITAGE COLLEGE FOUNDATION MISSION

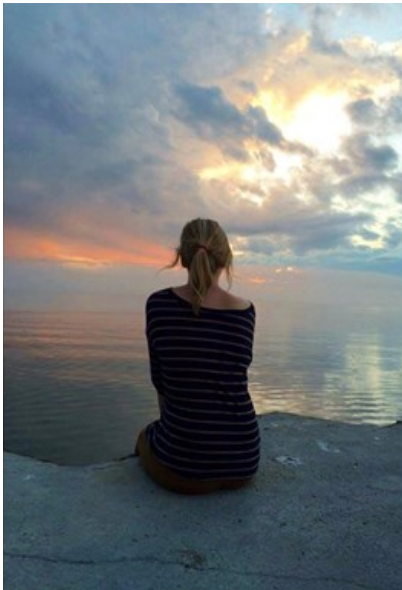

The mission of the **Cégep Heritage College Foundation** is to support the College's diverse and innovative community-driven learning experience.

In 2013, our Foundation was created to help the College respond to escalating student needs, and to safeguard initiatives that foster self-esteem and engagement in college life. Considering the challenges arising from a significant increase in admissions versus limited College funding, the Foundation launched a major fundraising campaign on May 7, 2015 with the goal of raising \$1 million dollars over five years. Soon we will be undertaking the last year of our campaign. Volunteers are multiplying efforts to secure the final \$200,000. It is urgent to reach and surpass our objectives as College admissions now exceed 1,300 and student needs increase beyond available funds. More than ever, the community's participation is both indispensable and appreciated.

This report takes you on our Foundation's 2018-2019 journey in support of our community. We are grateful for our supporters and are delighted to have made a significant impact again this year: \$20,850 to "engagement and perseverance bursaries", \$8,884 to emergency psychological & student crisis assistance, \$3,378 to "student projects" and \$15,000 to the expansion of the Brigil Learning Centre.

CÉGEP HERITAGE COLLEGE & FOUNDATION THANK YOU

Our College Foundation has moved forward in fundraising, in awarding of bursaries and in availing funds for student assistance while building vital partnerships for both the Gatineau and Pontiac campuses. We would like to thank all supporters, volunteers and donors, who have come forward throughout the years to give their time and their energy to our cause. **The tremendous participation underscores how much Heritage is valued in our community.**

MY GRATITUDE TO DONORS OF THE CÉGEP HERITAGE COLLEGE FOUNDATION

“This great honor of receiving this bursary has made my family able to breath just a little bit and be able to focus on our future, my education, my husband’s work and our daughter without the constant worry of finances and increasing stress.

This opportunity increases my push to do the best that I absolutely can in my program and continue to strive towards graduation so I can help my family and make our lives and the life of my daughter that much better. This bursary also gives me the opportunity to live less in Hull and travel a little bit more so I can spend more time with my daughter and maintain her growth and happiness.

From the bottom of my heart, I thank you. You will always have the deepest gratitude form myself and my family.”

*Cégep Heritage College Nursing Student
Foundation Perseverance Bursary Recipient April 2018*

“The Foundation bursary was a blessing to receive and exceeded all expectations and needs for the semester to come. I want to thank you for your consideration in having selected my candidacy for the bursary, for your heart and for Heritage College.

Growing up in a military home, I had known little stability. Moving frequently had impacted my education as well as my faith in long lasting social relationships. The first semesters spent at Heritage renewed my passion for loving others and gave me direction and hope for successful future endeavours. I am grateful for the burden that has been removed with the bursary, providing for me, at my moment of need!

Keep believing you are making a difference!”

FOUNDATION CRISIS FUNDS

OVERCOMING THE 2019 TORNADO

Over twenty (20) Cégep Heritage College Students were either temporarily displaced or severely impacted by the September 21, 2018 tornado that hit Gatineau. Short and long-term solutions were needed.

Impacted individuals included students who had recently moved to the area (with little or no support systems in place), students from outlying communities that took on the extra cost of renting an apartment, and students who were parents to one or more children.

HERITAGE COMMUNITY STANDING STRONG TOGETHER

While the College provided academic accommodations, the Foundation acted on supplementary assistance to help our students get back on their feet and reintegrate as soon as possible.

Customized personal assistance was deployed: books, laptops, uniforms, food, clothing, emergency relocation and College assistance for admission, fees, etc.

Our community understands that students cannot learn while their primary needs are not met.

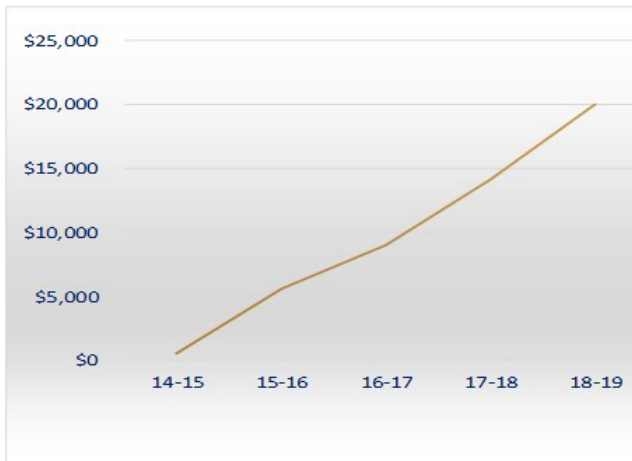

2018-2019 will be remembered as a year of development of community contacts, deployment of continuous assistance, giving a helping hand to meet a need or needs and demonstrating that our community believes in our students.

In spite of the losses and the hardships, the Heritage College community stood strong together. Special thanks to all community members for their support.

FOUNDATION PERSEVERANCE BURSARY DISBURSEMENTS

On April 25, 2019, the Cégep Heritage College Foundation honoured 50 recipients with Engagement and Perseverance Bursaries.

Students, parents, donors and College employees attended the Awards Evening.

Thanks to the generosity of our partners and donors, bursaries valued between \$300 and \$1,000 were given to deserving students for a grand total of \$20,000.

LEACROSS FOUNDATION BURSARIES

The Leacross Foundation focuses on the education of women and children in today's society. Having support in an ever-changing world is essential in allowing each individual to build a bright future, not only for themselves but for the entire community.

The significant Leacross Foundation Bursaries of \$1000 each were awarded to: Adrianna Boland, Allyson McDonald, Pamela Mainsah and Unice Nkengafack. These students not only travel a great distance to attend school, but also showed outstanding *perseverance* and *engagement*.

A special and heartfelt thank you goes out to the Leacross Foundation for its generous support.

“

We believe that each individual can succeed, if only they can get a little help along the way.

Leacross Foundation

THE ANTHONY MCCOLL MEMORIAL BURSARY

The Anthony McColl Memorial Bursary was established in memory of a Heritage College student who tragically passed in 2011, resulting from a collision with an impaired driver.

Tony was a student in the Visual Arts program and an avid Heritage Rugby Player. He dreamt of pursuing his studies in the film industry. It is in Anthony's name that this Foundation bursary is awarded to a deserving student following his or her dream.

This year's recipient is Jason Santos de Souza.

THE CELINE HANRAHAN MEMORIAL BURSARY

This award pays tribute to a Heritage graduate who perished in a car accident in 2012. Celine Hanrahan graduated from the Nursing Program in 2008 and went on to obtain a Bachelor of Nursing in 2010.

Celine left her mark on the world and is fondly remembered. Celine loved connecting with her patients and helping those in need. Thanks to the Hanrahan and McKiernan families, this award honours two members of the Nursing program who show the same caring spirit that Celine did.

This year's recipients are Ken Nathalie Ndiforchu and Amélia Gaul (absent).

MISHA TOLSTOY MEMORIAL BURSARY

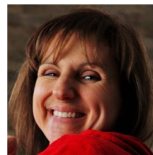

The Misha Tolstoy Memorial Engagement Bursary honours a Heritage student who overcame enormous challenges associated with Muscular Dystrophy to graduate with a Diploma of College Studies (DEC) in Social Science in 2012. This award commemorates Misha's commitment and engagement.

We thank Lallier Honda and Misha's family for honouring his memory.

This year's recipients are: Roseline Wisseh, Britny-Amber Disher and Huanhuan Qu (absent). Special thanks to Niko Tolstoy, Heritage Alumnus, for presenting the awards.

CAROLINE CALOUCHE MEMORIAL BURSARY

This award, established by her family, commemorates the dedication of a long-time former early childhood educator, Caroline Calouche.

The annual Caroline Calouche Memorial Award was presented at the October 2018 graduation to an Early Childhood Care and Education student who, in the opinion of the Department, best combines excellence in fieldwork performance, engagement in community and/or student life, leadership skills and perseverance in his/her academic development.

Congratulations to Kerri-Ann Marchand

“

As her past students know, Caroline was dedicated to student success.

This bursary is a lasting tribute to her vision and dedication in helping shape the next generation of superb educators.

Carl Marcotte”

Left to right: Gordon McIvor (Cégep Heritage College Incoming Director General) Emiliya Potochnyak (Commerce Student), Nicole Lefebvre (Foundation Manager), Michael Randall (Cégep Heritage College Outgoing Director General)

The Foundation was delighted to contribute \$1000 towards the travel costs of the first Cégep Heritage College Student to participate in the “Heritage Abroad Exchange Program”.

For the 2019 fall semester, Emiliya Potochnyak will be attending the “Faculté des Sciences économiques et sociales de l’Université de Lille” in France.

****NEW ** AGREEMENT WITH LA VILLE DE GATINEAU**

The Ville de Gatineau granted the Cégep Heritage College Foundation the sum of \$100,000 over five years (2019-2024) in support of: Student Assistance (enhanced support for students moving to Gatineau and for at-risk students) and International Studies & Co-ops (encouraging equal opportunities). We wish to express thanks for the City’s renewed confidence and for their important collaboration.

****NEW ** HERITAGE STUDIES ABROAD EXCHANGE PROGRAM**

Cégep Heritage College has, over the years, developed articulation agreements with higher-learning institutions in France.

The “Heritage Abroad Exchange Program” allows students to acquire competencies and knowledge in their program of studies, in another country and culture, while gaining life changing experiences and improved proficiency in French.

Starting with the Commerce program in 2018-2019, we understand that the College is seeking to expand student exchange opportunities to many other programs.

****NEW ** ENTRANCE BURSARIES**

The Heritage College Foundation is delighted to announce “Entrance Bursaries” for 2019-2020.

The creation of entrance bursaries (as a pilot project) with the WQSB feeder schools is the Foundation’s latest support initiative.

2019 HERITAGE ECUADOR EDUCATIONAL/VOLUNTEER QUEST WITH UNITED PLANET

The Foundation salutes the dedication of project leaders: Cathy Dufour (Nursing), Karen Petty (Nursing), Laura Fowler Massie (Early Childhood and Education) and Graham Gauthier (Science).

Students collectively raised funds to participate in the 13-day volunteer educational experience.

The Foundation believes in equal opportunities and initiatives that empower students to expand their knowledge and become leaders in their community. The Heritage College Foundation awarded the sum of \$1,500 to complete the fundraising efforts of 14 students.

This project allowed students to expand their worldviews, to learn leadership skills and to apply their educational skill sets to tasks in their respective areas of study (child development, health-care and science). Congratulations to all participants:

Nursing - Adrianna Boland, Kimberly Brochu, Allyson McDonald, Khaty Mwini,

Science - (Environmental group)- Kayla Lafleur, Katya Godwin, Engy Fatma El Arousi, Gabrielle (Marie) Vincent, Amanda Mccue, Madelyn Roy, Jacob Hovey, Sophie Kasdorf, Chun Ye Zhang

ECCE - Lily Drever, Chloe Robert, Catherine Default, (Courtney McNally, Kathleen Evans, Sarah Sullivan) * alumni.

Students and staff came away knowing they had accomplished important work. It is safe to say that no one returned to Canada unchanged.

*Special thanks to Desjardins
for supporting student projects*

THE BRIGIL LEARNING CENTRE INAUGURATED AT CÉGEP HERITAGE COLLEGE

On August 23, 2018, the College unveiled the renovated, expanded facilities and bestowed a special recognition to BRIGIL by renaming its Learning Centre the *BRIGIL Learning Centre* to honour the exceptional contribution made by BRIGIL to the Cégep Heritage College Foundation's major fundraising campaign. This designation is active for a ten-year period.

As a lead donor of the campaign, Gilles Desjardins of BRIGIL announced in 2015 his commitment to match donations from the Heritage Family to a maximum of \$100,000. The Heritage Family responded favorably and has committed \$91,000 to date.

The primary mission of the Centre is to deliver academic assistance to students in an environment that celebrates learning and excellence. It invites students to develop and learn cooperatively in an expanded facility of 978 square feet.

Historically, the first Learning Centre was established in 1997, thanks to partnerships with teachers, students, Student and Academic Services as to create a dynamic participative environment. Its unique Peer Tutor Program also contributes to the success of this vital centre. Thanks to the College, its Foundation and the community, the newly renovated and expanded Center will allow more students to persevere in their studies, to gain self-esteem and to meet their educational needs.

The College thanked the Foundation for its contribution.

Haidar Al Hussaini expressed thanks on behalf of the Student Association

BREAKFAST FUNDRAISER

The Foundation wholeheartedly supported measures to support our students affected by the tornado in hopes that they did not sacrifice their studies.

Proceeds from the November 15, 2018 Breakfast Fundraiser were shared by both the Foundation and Centraide Outaouais to assist with mid- to long-term aid for tornado victims.

Heartfelt thank you goes out to all Foundation donors, volunteers, sponsors and partners including: Philippe Pilon Métro Cité-des-Jeunes, Event Chair, Isabelle N. Miron (Gatineau City Council), Tony (Heritage Cafeteria), Lily Party Rentals, Laiterie de l'Outaouais as well as André Fortin (MNA Pontiac) and Maryse Gaudreault (MNA Hull).

“

It's hard to believe that individuals can overcome such extraordinary challenges. I am amazed at the students' resilience, that they were able to achieve as much and reintegrate school in record time.

Nicole Lefebvre, Foundation Manager

LIFETIME DEDICATION TO EDUCATION

James J. Shea

1942 – 2018

The Heritage College community was saddened by the passing of one of its pioneers and a member of the Heritage College Foundation's Board of Directors.

James played an active role, as a Heritage College pioneer, in the creation of Cégep Heritage College as an independent English post-secondary public institution.

He believed in providing accessible education. His leadership in the community was exemplary as was his commitment to giving students an equal chance.

James was an engaged Heritage Parent and maintained a student advocate role throughout his life. He demonstrated his leadership and commitment to education by his participation on a number of governing boards and institutions including the Western Quebec School Board, Cégep Heritage College and its foundation.

STUDENTS PAY-IT-FORWARD

It all started with ONE Foundation gift directed to help students in the Hotel and Restaurant Management (HRM) Program.

The Foundation initiated the giving circle by offering the first kitchen tool sets to students in the 2018-2019 school year. This was followed by HRM students donating back to the Foundation cumulated gratuities from their dining room practice.

These same funds would then be made available, to help cover costs for new Hotel & Restaurant Management Students.

The Foundation encourages initiatives which provide equal opportunities for students.

2018-2019 First-Year Hotel and Restaurant Management Students

Over and above College admission fees and books, many students have important program-related costs that are not eligible for subsidy by the provincial loans and bursaries.

URGENT NEEDS

Together, we are helping to eliminate financial barriers to education and are establishing a legacy for generations to come.

**Pledges as of June 30th, 2018
total \$780,000.**

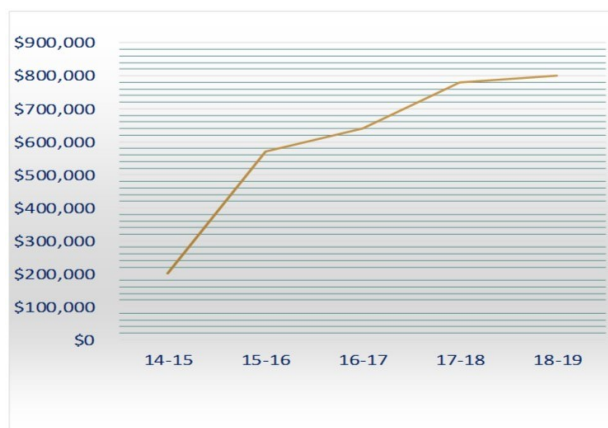

The needs of our 1200 (and growing) students are unique compared to students attending other colleges:

- Close to one-third seek financial assistance in order to meet their basic needs;
- Numerous students come from rural and aboriginal communities resulting in significant expenses related to transportation and lodging;
- At-risk or vulnerable students include young adults returning to school, single parents, students with learning difficulties, mental wellness and mobility challenges.

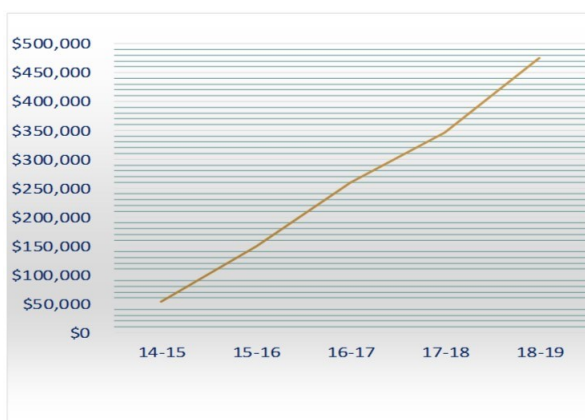

Note: As confirmed by the Foundation Board of Directors on February 21, 2019, the sports field being postponed, the Foundation's contributions to the Auditorium and Learning Centre in the amount of \$30,000 completes disbursements to the Teaching Technologies & Equipment area of needs.

*** Related Party Transactions re Start-up Loan:** In 2012, the College explored the feasibility of creating a Foundation and holding a Major Fundraising Campaign. The College sanctioned the creation of the Foundation for which Letters Patent were granted April 2, 2013 and the College endorsed the holding of a major fundraising campaign. The College advanced funds for start-up, consultant, manpower and operating costs inherent to incorporating the Heritage College Foundation, as well as preparing and running the major fundraising campaign. On February 20, 2019, Heritage College approved a resolution to forgive the long-term debt.

FOUNDATION FAMILY ADVISORY COMMITTEE

Marc Fricker, Chair

The Family Advisory Committee was created in 2015 to ensure the Heritage community plays an active role in supporting and implementing the Foundation's mission to support Heritage College.

Members (faculty, professionals, staff, retirees, parents, alumni and students) have close ties to the College and/or its students. In addition, their skills, knowledge and experience support the Foundation Board and the Campaign Committee.

As student needs are great, the Committee agreed to follow Maslow's theory to prioritize measures which aid basic needs such as food, lodging, inclusion and financial security.

Proposals sought from the Heritage community were subsequently evaluated and approved by the Foundation's Board. Funds were allocated in the budget for increased number of perseverance bursaries, as well as the establishment and development of entrance bursaries. Financial support was also allocated to inclusion/leadership initiatives, learning disability evaluations, emergency psychological crisis assistance and accessibility for College sports teams.

For the 2018-2019 year, a contribution in the amount of \$15,000 was directed to the renovation of the Learning Centre and a total of \$33,112 was allocated and distributed to Heritage College students in various forms of assistance (bursaries, assistance, projects).

FUNDS AND BURSARIES SUB-COMMITTEE

The Family Advisory Committee created the Funds and Bursaries sub-committee to assist in the Foundation's mandate to facilitate and support student access to studies at Cégep Heritage College through the creation of bursaries.

Also led by Marc Fricker, the sub-committee revised bursary criteria to expand the Foundation's reach.

The sub-committee established bursaries for students registered in AEC's (1-year attestation) career programs. As well, perseverance bursaries were created, thanks to a generous donation by the City of Gatineau, to support students who have recently moved to Gatineau to attend Heritage College.

In total, \$21,000 in perseverance, determination and commitment bursaries were awarded to student applicants.

Members of the 2018-2019 bursary selection committee were: Marc Fricker, Carol Doody and Dejan Radojevic.

A huge thank you to the bursary selection committee who worked diligently evaluating the numerous application submissions to select the 50 Foundation bursary recipients.

Cégep Heritage College

Investing in our heritage together

The Cégep Heritage College, is the only English public college in western Québec, serving the vast geographical area of the Outaouais (the City of Gatineau, Gatineau Valley, Collines-de-l'Outaouais, Papineau, Pontiac as well as many aboriginal communities located as far North as James Bay). It welcomes close to 1,300 students on their journey to becoming active and productive members of our community.

Cégep Heritage College is an important contributor to the well-being and prosperity of the Outaouais, contributing to the skilled workforce essential to our region's economic growth and development.
