

THE CÉGEP HERITAGE COLLEGE FOUNDATION MISSION

The mission of the Cégep Heritage College Foundation is to support the College's diverse and innovative community-driven learning experience.

THE COLLEGE MISSION

Heritage College is an English Cégep proudly committed to student success through a diverse and innovative, community-driven learning experience.

THE HERITAGE EXPERIENCE

Heritage College, a student-centered community, promotes academic excellence through a personal and supportive environment that recognizes the importance of continuous learning.

THE HERITAGE PROMISE

Heritage College graduates will:

- Respect human diversity;
- Participate in their community;
- Demonstrate leadership skills;
- Value working with others;
- Behave ethically;
- Safeguard the environment.

In 2013, the **CÉGEP Heritage College Foundation** was created in order to help the College respond to the escalating student needs and to safeguard initiatives that foster self-esteem, engagement in college life and community values. Considering the challenges arising from a significant increase in admissions versus the limited funding at the College's disposal, the Cégep Heritage College Foundation launched a major fundraising campaign on May 7, 2015 with the goal of raising \$1 million dollars over five years.

MESSAGE FROM THE BOARD CHAIR

*Carl Marcotte, Chair,
Heritage College Foundation*

Dear Community Members & Friends,

I became involved in the Foundation after the passing of my wife, Caroline Calouche in 2016. Caroline was a Heritage College teacher for over 20 years. It was fitting to secure a legacy in her name with the Heritage College Foundation that would perpetuate her passion, care, assistance and encouragement to Heritage students.

I look forward to my second term as Foundation Board Chair, to lead our Board Members, the community and our volunteers through the Major Fundraising Campaign to raise \$1 Million dollars.

We are delighted to report that the Foundation has received pledges that total **\$780,000**. As you will see in the "Impact" section of this report, this has enabled us to enhance services to our community.

It is all about the students, and how collectively we can provide additional resources to nurture student self-esteem, perseverance, engagement and access to college. Every gift – big or small – will inspire hope, understanding and caring at Heritage College now and for generations to come.

Thanks to Foundation supporters such as you, we are providing tangible solutions to the challenges facing students. Thank you for your support.

FOUNDATION PERSEVERANCE BURSARIES

On April 26th, 2018, the Cégep Heritage College Foundation honored recipients of **19 Engagement and Perseverance Bursaries**. Students, parents, donors and College employees attended the Awards Evening.

Thanks to the generosity of our partners and donors, bursaries valued between \$200 and \$2,000 were awarded to students from its Gatineau and Campbell's Bay campuses.

LEACROSS FOUNDATION BURSARIES

The Leacross Foundation focuses on the education of women and children in today's society. Having support in an ever-changing world is more than important to allow each individual to build a bright future, not only for themselves but for the entire community.

"We believe that each individual can succeed, if only they can get a little help along the way."

The significant Leacross Foundation Bursaries of \$2000 each were awarded to: **Emmalee MacLaren** and **Unice Nkengafack**. These students not only travel a great distance to get to school, but also showed *perseverance* and *engagement* in the Heritage Community.

TESTIMONIAL

I would like to give you my most sincere "thank you" for the support you have given to my studies by offering a bursary. My home is an hour and a half away. On bad days, I can spend up to 6 hours travelling. I feared I would have to work to pay for travel expenses. I would rather focus on my studies and stay healthy rather than juggle work, school, travel and sleep. You have provided great help in lessening my financial stress and allowing me to continue my education with peace of mind.

Among the applicants who embraced the spirit of Heritage, five projects shared the project funds provided by Desjardins, to assist in funding both Individual Student Projects and Group Projects. During the fall 'Welcome Back', staff and students immediately benefitted from these new renovations.

Later on in the year, the school drama club, The Bacchus Players, put on their first production in the renovated space and was delighted with their new environment.
